

LYNX PLEXI LARGE

AM 58 Khz

A larger, solid acrylic pedestal with super reliable detection for stores with wider entrances.

- Optimised Moving Field Technology (OMFT)
- Child proof
- Compatible with labels and hard tags
- High performance electronics
- Plexi panels
- Digital signal processing

The Catalyst Lynx AM Plexi large is our largest transparent AM pedestal. Advanced digital electronics provide a performance that is unrivalled for it's size.

With the Catalyst Lynx AM Plexi virtually any item in your store can be protected using a prominent hard tag or an adhesive label for smaller items.
