

CATALYST FLOORGUARD

58 KHz

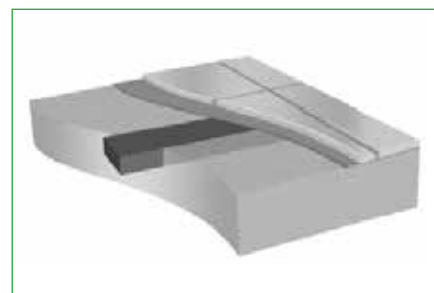

The Catalyst Floorguard system is designed to offer discrete yet effective protection.

- Totally hidden from view system
- Digital Signal Processing
- High Performance Electronics
- Optimised moving field technology

The Catalyst Floorguard system is specifically designed to be discrete.

Ideal for large department stores with wide doors or any outlet that chooses not to have a door pedestal on view.

With the Catalyst Floorguard virtually any item in your store can be protected using a prominent hard tag or an adhesive label for smaller items.
